brand close-up...

Coluxure is a Premium Wooden Furniture Mfg. brand by **E-Plast Industries LLP**, Ahmedabad. E-Plast Industries LLP was founded in the year 2011 by Mr. Mohan Varsani and the company is now a key player in the fabrication and furniture industry.

At Coluxure we aim to manufacture and promote good customized designs, which include comfort, strength, durability, visual satisfaction, functional & structural logic. Our catalog offers a wide range of sizes and material options. We can customize our designs to meet specific requirements or work with architects and interior designers to develop furniture for a specific project.

We use high-quality hardware & Material source from reputed manufacturers. Our comprehensive and innovative range of designs and production capability can meet the furniture requirements for varied types and scales of projects from Homes Including Modular Kitchens and Offices to Schools, Colleges, Hotels, and Public Institutions.

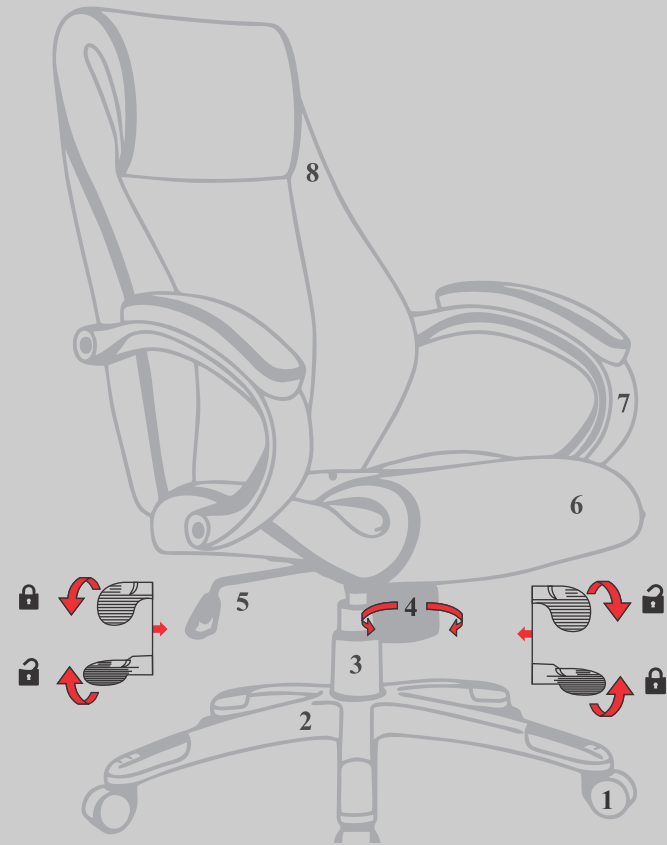

Our Strength

We have a well-equipped facility of the latest German machines like Panel Saw, Post form, Spindle Molder, Through Feed & CNC Machine for Modular Furniture in our 20,000 Sq. Ft. Workshop with a team of 30-40 well trained & skilled craftsmen. Our products are available in our company showroom spread over 4500 sq. ft. at Gota, Ahmedabad. Our real strength is our team, about 75 professionals in our factory and 12 personalities in Sales & other departments, who passionately work for the company to meet our targets.

ABOUT OFFICE CHAIR

A chair is a piece of furniture with a raised surface supported by legs, commonly used to seat a single person.

Chairs are supported most often by four legs and have a back

✔ Sitting up

Maintain contact between your back and the seat back

Keep lumbar spine supported

Position hips slightly above knees

Balance head

Relax arms at right angle to desk

Leave gap between backs of knees and seat

Keep feet flat on floor

THE DEAL POSITION

Sitting at a computer for long periods of time can take a toll on your body. By not sitting with the correct posture, it is easy to end up with back pain, neck pain, knee pains, and a tingling of the hands and fingers. Here are some tips on maintaining good ergonomics and staying comfortable at your desk during the day.
